

Grace House

A place of healing and restoration

Dear Name,

Can you believe it has already been a full year? It was just a year ago in March that we had the banquet in Charlotte that kicked off Grace House Rehab center in Kirigiti, Kenya.

And in that first year, so much has happened!

- We graduated the first “class” of men from the Christ-centered 12 step program. Most of them came to know the Lord as Savior, and most of them have stayed with the program and are completely free from substance abuse. None have fallen back into their old ways.
- So far, about 40 men have completed the program and there are currently 15 men living at Grace House and going through the program. This represents lives and families that will never be the same and could not have changed without the dedication of Grace House and its supporters.
- Grace House is fully staffed with an administrator, an on-site counselor, and other dedicated people who provided needed services.
- There have been three trips made from our church in Charlotte to Grace House. On every trip major emphasis was placed on ministering to the men in Grace House. Fr Lawrence has spent about 3 months working in Grace House this year.

We want to invite you to come share a meal with us and hear a progress report on Grace House, the First Year. Instead of a big, formal banquet like we had last March, we are planning a more intimate setting with you and a few other special friends.

Can you please join us March 29, 2008 at 4:00pm at xxx. You will be able to eat some great African food, fellowship with friends, and see a multimedia progress report, *Grace House, the First Year*.

Please RSVP no later than 3/20/08 to Fr Lawrence Mbugua at 704-nnn-xxxx or lmbugua@aol.com.

In His Service,

Fr Lawrence Mbugua
Executive Director
